

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Vegetation (Riparian) - Comment Number TCC001

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction activities on riparian vegetation and identify how the impacts would be minimized during pipeline construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drinking Water (Wells) - Comment Number TCC002

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all drinking water wells and springs within 150 feet of right-of way including extra work areas, access roads, or staging areas, identify the potential negative environmental impacts of related pipeline construction activities on the wells and identify how the impacts would be minimized during pipeline construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Blasting) - Comment Number TCC003

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction activities on groundwater and look into methods used to mitigate and minimize impact on groundwater in regards to blasting and how groundwater quality will be monitored before and after construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drinking Water (Wells) - Comment Number TCC004

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction activities on private, residential wells and investigate how, in the event of damage, restoration, repair or replacement of wells is undertaken.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Testing) - Comment Number TCC005

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into any large quantities of groundwater to be withdrawn for hydrostatic testing along with a detailed groundwater resource and drawdown analysis and a detailed wastewater disposal method.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (General) - Comment Number TCC006

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study existing groundwater resources in the project area and identify the potential negative environmental impacts of related pipeline construction and operational activities on groundwater.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drinking Water (Aquifer) - Comment Number TCC007

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe the type, depth, current and projected uses, average yield, known contamination problems, and water quality of each aquifer underlying the project area and identify the potential negative environmental impacts of related pipeline construction and operational activities on each aquifer.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Springs) - Comment Number TCC008

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on any and all springs within 150 feet of proposed construction site.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Surface Water (Water Quality) - Comment Number TCC009

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on any and all perennial surface water bodies crossed by the proposed project and their water quality classification.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (General) - Comment Number TCC010

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on watershed areas, designated surface water protection areas, and sensitive water bodies crossed by the proposed project and the total acreage and acreage of each wetland type that would be affected by construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Wetlands) - Comment Number TCC011

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on wetlands and describe construction and restoration methods proposed for crossing wetlands.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Mitigation) - Comment Number TCC012

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on groundwater resources and proposed mitigation for impacts on groundwater resources.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Blasting (Wells) - Comment Number TCC013

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related blasting activities on water wells, springs, and wetlands, and associated mitigation.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Water Quality) - Comment Number TCC014

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all sources of hydrostatic test water, the quantity of water required, methods for withdrawal, and treatment of discharge and any waste products generated, the associated potential negative environmental impacts of related pipeline construction and operational activities on those concerns.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drinking Water (Mitigation) - Comment Number TCC015

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate mitigation measures to be used to ensure private water supplies are returned to previous capacity in the event damage results from construction and operation.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Water Quality) - Comment Number TCC016

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study the measures used to compensate for permanent wetland losses due to pipeline construction and operation. Please look into the quality of discharge water resulting from contact with a pipeline and chemicals used in the pipeline and provide information regarding waste products and disposal methods.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Vernal Pools (General) - Comment Number TCC017

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all vernal pools within 150 yards of all pipeline segments, work area, or staging area associated with pipeline construction and operation, and specify how the vernal pool habitat will be avoided in each instance.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Construction) - Comment Number TCC018

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all protocols regarding the inadvertent release of drilling fluid into local aquifers and the type of mitigation required.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (General) - Comment Number TCC019

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate all impacts to and provide plans for remediation for all wetlands within 100 yards of all pipeline segments, work area, or staging area associated with pipeline construction and operation including field-verified wetland delineations before the completion of the EIS in order to fully understand the real wetland impact.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Construction) - Comment Number TCC020

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the potential negative environmental impacts of related pipeline construction activities on the inadvertent release of drilling mud into surface water, how this would be contained and procedures used to clean up releases.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drinking Water (Water Quality) - Comment Number TCC021

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the effects of pipeline construction and operation on private artesian wells in southwest NH and conduct preliminary testing including arsenic and radon to have a baseline of information in case future problems/contaminants should arise.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Staging) - Comment Number TCC022

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate how fuels, lubricants, and explosives will be stored during construction as well as disposal of construction waste, dredge spoil, and hazardous chemicals and identify the related potential negative environmental impacts of related pipeline construction activities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Flora and Fauna) - Comment Number TCC023

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the size and location of pipeline staging areas and its impact on local flora and fauna in southwest NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Blasting (Drill Holes) - Comment Number TCC024

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction activities on abandoned drill holes, what materials would be used and how these would be sealed if necessary.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Blasting) - Comment Number TCC025

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction activities, specifically drilling, blasting and digging through of soils contaminated with toxic chemicals and provide a description of the type of contamination along with site specific sampling and analysis.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Parks (General) - Comment Number TCC026

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate the effects of a pipeline construction and operation on the aesthetic value and natural/wild setting in Rhododendron State Park and other parks and / or recreational areas.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Flora and Fauna (General) - Comment Number TCC027

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate the long term effects of a pipeline construction and operation on local flora and fauna in southwest NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Historical Preservation (Homes) - Comment Number TCC028

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the effects of pipeline construction and operation on historic homes that are located near utility corridors and right-of-ways in southwest NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Parks (General) - Comment Number TCC029

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the effects of pipeline construction and operation on the ecological integrity of Rhododendron State Park.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Erosion (Maintenance) - Comment Number TCC030

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please investigate long term erosion control methods on pipeline corridors especially on steep slopes in areas where there is an increased use by ATV's/dirt bike and off road vehicles.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (General) - Comment Number TCC031

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify how FERC and Kinder Morgan will address unknown and unforeseeable impacts of the proposed pipeline construction and operation and identify, in general, the types of impacts of potential concern.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Construction) - Comment Number TCC032

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on forested wetlands and identify the measures used to restore forested wetlands following construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Roads (Construction) - Comment Number TCC033

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on crossing state and local roads and describe the methods used for crossing state and local roads. If roads would be open cut describe the duration of construction and how access would be maintained along the road.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (Accidents) - Comment Number TCC034

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the potential impact radius for 73 miles of NED Pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Accidents) - Comment Number TCC035

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on hazardous waste sites, landfills and / or Superfund sites. For example, adjacent to the Troy NH Superfund site is an 8-acre landfill full of mill waste, fabric scraps, filters, die cutters and other solid waste. Much of this is considered to have flammable potential in case of a fire. Please determine the impact of a pipeline explosion, rupture and leak – all three scenarios -- on the Troy Superfund site, the adjacent landfill and all related water resources.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Accidents) - Comment Number TCC036

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study what protocols are necessary and what studies exist regarding how to handle a pipeline explosion or incident affecting the integrity of hazardous waste sites, landfills and / or Superfund sites and subsequent safety impacts on residents and first responders.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (General) - Comment Number TCC037

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study and analyze what data exists regarding natural gas pipelines and hazardous waste sites, landfills and / or Superfund sites, particularly ones within a few hundred feet of one another.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Emergency Response (Accidents) - Comment Number TCC038

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify and describe Kinder Morgan's pipeline accident protocols on all levels.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Emergency Response (Accidents) - Comment Number TCC039

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study what has been Kinder Morgan's response to pipeline accidents, explosions, ruptures, leaks. Their record of pipeline accidents, explosions, ruptures, leaks is readily available. In determining the potential impacts of pipeline accidents, explosions, ruptures, leaks, please assume that the response by Kinder Morgan and / or local emergency responders would be inadequate and / or would increase the resultant magnitude of the event.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Emergency Response (Accidents) - Comment Number TCC040

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine how Kinder Morgan and small towns and rural areas have dealt with previous Kinder Morgan Pipeline incidents. Identify the required and recommended local / municipal emergency responder planning, initial training and retraining programs. Identify the required and recommended emergency response equipment that should be provided by local / municipal emergency response agencies. Estimate the initial cost, operational cost and total cost throughout the expected life of the pipeline to each municipality in NH, including municipalities that would provide mutual support, that would be expected to provide emergency response in the event of a pipeline accident. Identify the available funding sources that would compensate municipalities for emergency response training, planning and equipment, throughout the life of the pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Water Quality (Parks) - Comment Number TCC041

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Kinder Morgan wants to put its pipeline through Rhododendron State Park and other parks and / or recreational areas, affecting the three towns of Troy, Fitzwilliam and Richmond, which include the park in their town areas. Please determine the pipeline's impact on the various water sources in such locations.

To: Federal Energy Regulatory Commission (FERC)

Subject: Endangered Species (Parks) - Comment Number TCC043

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the pipeline's impact on all threatened or endangered species in Rhododendron State Park.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Temporary) - Comment Number TCC044

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify specific usage plans Kinder Morgan has for an 8.26 acre Contractor Yard site in Troy, NH and identify what criteria were used in its selection.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Temporary) - Comment Number TCC045

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine how long a Contractor Yard site in Troy NH and / or other municipalities will be an Additional Temporary Work Space (ATWS).

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Temporary) - Comment Number TCC046

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify Kinder Morgan's Spill Prevention and Response Plan for Contractor Yards in an Additional Temporary Work Space

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Temporary) - Comment Number TCC047

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the chemicals, explosives and related building and construction materials Kinder Morgan will house in each Additional Temporary Work Space.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Drilling (Horizontal) - Comment Number TCC048

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine whether Kinder Morgan's Horizontal Directional Drilling Contingency Plan has been empirically tested and the plan's results for addressing potential impacts associated with an inadvertent release of drilling fluid through hydraulically induced cracks during the HDD process.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Invasive Species (General) - Comment Number TCC049

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide current data (not more than three years old) in the EIS for invasive species and vulnerable and threatened species in Troy NH and other impacted municipalities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (Blasting) - Comment Number TCC050

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine if Kinder Morgan's Blasting Management Plan has actually been used and what the results were.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (Blasting) - Comment Number TCC051

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify if the procedures and safety measures of Kinder Morgan's Blasting Management Plan has been used in harsh winter climate with frozen ground of several feet and what the results were.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Fish and Wildlife (General) - Comment Number TCC052

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on federally listed essential fish habitat.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Biological Resources (General) - Comment Number TCC053

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe any significant biological resources that would be affected by the proposed pipeline construction and operation and describe impacts and any mitigation proposed to avoid or minimize that impact.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Fish and Wildlife (General) - Comment Number TCC054

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

In the EIS, please provide copies of all correspondence from federal and state fish and wildlife agencies (along with responses to their recommendations to avoid or limit impact on wildlife, fisheries, and vegetation) to elected officials in affected towns.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Fish and Wildlife (General) - Comment Number TCC055

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on significant wildlife habitats crossed by the proposed pipeline (73 miles) and identify the length and width of crossing at each significant habitat.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (General) - Comment Number TCC056

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into how topographic maps will be provided for each affected town in NH showing clearly and accurately all pipeline segments, aboveground facilities, pipe storage yards, extra work/staging areas, contractor yards, and access roads.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Staging) - Comment Number TCC057

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities associated with typical staging area requirements at waterbody and wetland crossings.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (General) - Comment Number TCC058

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide information concerning the total acreage of wetlands that would be temporarily affected, and the total acreage of wetlands that would be permanently affected by the proposed pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Blasting) - Comment Number TCC059

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe the potential for blasting to affect wetlands and measures to be taken to detect and remedy such effects.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Restoration) - Comment Number TCC060

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the potential negative environmental impacts of related pipeline construction and operational activities on forested wetlands and look into how restoration plans for forested wetlands would take place including the planting of wetland trees or shrubs, post-construction monitoring, and the development and application of criteria to determine restoration success.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Mitigation) - Comment Number TCC061

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe in detail any proposals to compensate for permanent wetland losses and include criteria to determine mitigation success.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Invasive Species (Management) - Comment Number TCC062

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the long term effectiveness of the invasive species management plan for the proposed pipeline and identify the success rates of keeping invasive species off pipeline corridors in other regions.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Soil Protection (Management) - Comment Number TCC063

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the Best Management Practices for soil protection and subsoil decompaction mitigation for the proposed pipeline construction and identify how effective these measures have been in other areas similar to the proposed pipeline route.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Winter) - Comment Number TCC064

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the specific types of construction techniques and material handling during winter months for pipeline construction and operation in NH. Consider the potential impact if the pipeline was not buried below the frost line. Consider the long term effects of freezing and thawing of soil surrounding buried pipelines. Identify the kinds of ramifications poor construction practices, including wintertime construction problems, might have on the structural integrity of the pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (Construction) - Comment Number TCC065

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into any special permits that may be needed for construction within wetlands and special permit conditions for the proposed pipeline project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wetlands (General) - Comment Number TCC066

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide an assessment of any cumulative effects on wetlands as a result of the proposed pipeline project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Fish and Wildlife (General) - Comment Number TCC067

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide a classification of the type of fisheries for each waterbody that would be crossed, including fisheries of special concern and associated significant habitat.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Fish and Wildlife (General) - Comment Number TCC068

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study terrestrial and wetland wildlife and habitats that would be affected by the proposed pipeline project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Vegetation (General) - Comment Number TCC069

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study the major vegetative cover types that would be crossed and provide the acreage of each vegetative cover type that would be affected by the proposed pipeline project and include unique species and species of special concern.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Endangered Species (General) - Comment Number TCC070

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all federally listed or proposed endangered or threatened species or species of special concern that potentially occur in the vicinity of the proposed pipeline project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (Accidents) - Comment Number TCC071

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please do a statistical analysis of the potential environmental and human health risks in NH of pipeline construction and operations. Consider previous Kinder Morgan safety violations.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Economics (General) - Comment Number TCC072

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please do an economic study which weighs the cost of the project in terms of value of property to be taken, potential health costs based on known health issues that could be attributed to other pipeline projects in the U.S., the loss of property values in the areas affected by the pipeline project, and the loss of tax revenue to all affected towns due to decreased property values, versus the suggested savings that energy rate payers are supposed to expect when gas becomes available to NH through NED.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Security) - Comment Number TCC073

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify and describe what security measures Kinder Morgan will have in place at Contractor Yards and / or Additional Temporary Work Spaces, including ones in Troy or municipalities adjacent to Troy NH, regarding storage and accessibility of chemicals, explosives and other equipment.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Staging (Security) - Comment Number TCC074

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify and describe the specific monitoring process Kinder Morgan will use in its security measures at Contractor Yards and / or Additional Temporary Work Spaces, including ones in Troy or municipalities adjacent to Troy NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Design) - Comment Number TCC075

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify why Kinder Morgan changed its third NED proposal to now locate its pipeline within 110-feet of the Troy Superfund Site.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Blasting) - Comment Number TCC076

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe what measures would be taken to rectify any damage to wells, springs, wetlands, and structures caused by blasting during the NED project in South Western NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Archeology (General) - Comment Number TCC077

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide a copy of the “detailed archeological reconnaissance of the proposed Project area” (4.6) that Tennessee Gas Pipeline says it has conducted specifically regarding Troy, N.H.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Cultural Resources (Residential) - Comment Number TCC078

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please specify and identify what Kinder Morgan's plan is to protect the cultural resources per their self-identified ground-disturbing, blasting, drilling, and excavation activities on identified cultural resources, including the Green Farm on South Street in Troy NH, which was built in the mid-1700s, still has most of the original construction and features and the Owner is listed as an impacted landowner.

Date: August 2015

Subject: Hazardous Materials Management (Containment) - Comment Number TCC083

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide specific procedures and plans for any and all containment areas, pipeline route or staging area/workspace area on storage containment areas, with or without drains located in Troy, NH and other municipalities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Hazardous Materials Management (Containment) - Comment Number TCC084

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify and describe secondary containment systems of any and all bulk storage of hazardous materials, including chemicals, fuels and lubricating oils to be located anywhere along the pipeline route or the staging/workspace area located in Troy, NH and other municipalities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Design) - Comment Number TCC085

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the information sources and research criteria used to justify locating the NED pipeline within 110-feet of the Troy Mill Superfund Site and the meaning of the phrase on p. 191 of: " Impact unlikely based on status/location."

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Design) - Comment Number TCC086

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please specify and describe any written arrangements between Kinder Morgan and the U.S. EPA and the N.H. DES regarding which entity is financially liable if the Troy Mill Superfund site and / or any other similar site is contaminated or disturbed in any way by any construction or other actions.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Management (Accidents) - Comment Number TCC087

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

What written arrangements have been made between Kinder Morgan, U.S. EPA and N.H. DES as to liability if there is a NED pipeline rupture, leak or explosion that impacts the Troy Superfund Site and / or any other similar type of site.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Accidents) - Comment Number TCC088

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that considers the potential impacts of pipeline spills, leaks, fires, explosions and other accidents on high consequence risk areas and / or other areas of concern such as Superfund sites, industrial facilities, and solid waste landfills. The risk assessment should identify the potential consequences (injuries, deaths, property damage), and calculate the likelihood of occurrence of risk scenarios throughout the expected operational life of the pipeline, based on a range of pipeline management quality.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Chemical Interactions) - Comment Number TCC089

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that considers the potential impacts and interactions of chemicals and thermal energy released from pipeline spills, leaks, fires, explosions and other accidents with chemicals located within the soil in proximity to the pipeline, including but not limited to chemicals known to exist in the Troy NH Superfund Site (plasticizers, bis (2-ethylhexyl) phthalate (DEHP) and Varsol, a petroleum-based solvent).

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Life Cycle) - Comment Number TCC090

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that clearly defines the life expectancy of the pipelines being considered and calculate the likelihood of occurrence of pipeline spills, leaks, fires, explosions and other accidents throughout the life cycle of the pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Date: August 2015

Subject: Risk Assessment (Pipeline Degradation) - Comment Number TCC091

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Considering Kinder Morgan's history of safety violations involving failure to properly inspect, test, maintain and monitor pipelines (reference 2011 Safety Citations by the United States Department of Transportation – Pipeline and Hazardous Materials Safety Administration (PHMSA)), the risk assessment activities should consider the potential impact of expected degradation in pipeline integrity over time associated with best management practices as well as poor management practices.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (High Risk Areas) - Comment Number TCC092

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure within various distances (100 feet, 500 feet, 1000 feet, etc.) of each high consequence risk area and / or superfund site.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Maintenance) - Comment Number TCC093

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure presuming that the pipeline is maintained using best management practices (BMP) and that the pipeline is maintained poorly (as apparently has been typical of Kinder Morgan's history).

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Maintenance) - Comment Number TCC094

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that determines and / or calculates the potential consequences (magnitude of fire and explosions, property damage, injuries and deaths) associated with a pipeline leak in general, and at (or near) each specific area of concern, incrementally over the lifetime of the pipeline, based on varying pipeline management practices.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Earthquakes) - Comment Number TCC095

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure over the lifetime of the pipeline considering inadequate seismic bracing due to deterioration of bracing over time, improper installation of bracing and / or improper design of bracing.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Pipe Corrosion) - Comment Number TCC096

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Recognizing that corrosion is a primary cause of many Kinder Morgan pipeline failures, please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure over the lifetime of the pipeline considering significant internal pipe corrosion and / or external pipe corrosion, with the severity of corrosion increasing over time and assuming a failure to identify corrosion through any planned inspection activities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Stress Cracking) - Comment Number TCC097

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Recognizing that environmental stress cracking is a relatively common cause of pipeline failures, please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure over the lifetime of the pipeline considering environmental stress cracking, with the severity of cracking increasing over time and assuming a failure to identify cracking through any planned inspection activities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Risk Assessment (Erosion) - Comment Number TCC098

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please conduct a risk assessment that determines the different likelihoods of a pipeline leak and / or failure over the lifetime of the pipeline considering the erosion of underground pipe support material, and / or the the erosion of surfacial pipe support material,with the severity of erosion increasing over time and assuming a failure to identify erosion through any planned inspection activities.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Alternatives) - Comment Number TCC099

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide maps of two pipeline system alternatives to the proposed NED project and a description of different existing pipelines that would obviate the need to construct all or part of the project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Emergency Response (Local) - Comment Number TCC100

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please study and develop an emergency plan with local fire departments and other agencies to identify personnel to be contacted, equipment to be mobilized, and procedures to be followed to respond to a pipeline gas leak or fire resulting from a pipeline gas leak.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Blasting (Staging) - Comment Number TCC101

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify extra work, or staging areas, at road, railroad, waterbody, and wetland crossings in areas of steep slopes or where blasting is required. Also, please identify the land use category for each extra work or staging area in Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Temporary) - Comment Number TCC102

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all temporary access roads that would be used to access the right-of-way during pipeline construction, including farm lanes, private driveways, logging roads, Jeep trails, or other roads that may be modified or improved for construction equipment in Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Staging) - Comment Number TCC103

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the location, size, and land use of all staging areas and show location on USGS topographic maps. Maps should include the distance and direction to the nearest pipeline construction site, acreage requirements, and the extent of ground disturbance that would take place in Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Notification) - Comment Number TCC104

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify each residence, or building that would be within 50 feet of the edge of the construction right-of-way and extra work or staging area. Provide the distance in feet between the residence and the pipeline centerline, and how landowners would be notified of activities and how hazards such as open ditches would be minimized during construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Parks (Impact) - Comment Number TCC105

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

For Rhododendron State Park, please identify the primary uses, peak use periods, and any seasonal restrictions. Identify, address, and describe planned mitigation for the construction and reduction of construction and permanent right-of-way requirements, selective tree removal, replanting of trees and shrubs, and any special restoration practices in forested areas. Also address off road vehicle controls that would be installed, maintained, and monitored before, during, and after construction of the pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Impact) - Comment Number TCC106

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into how the environmentally fragile Troy Mills Superfund Site could, upon being disturbed by pipeline construction, cause contaminants from the site to enter Rockwood Brook, and what would be done to correct this, and prevent any of the released contaminants from reaching Sand Dam Pond-a public swimming/fishing area.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Wildlife (Impact) - Comment Number TCC107

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please hire a wildlife biologist to look into how animal pathways and movement would be impacted by the construction and the permanent 50 foot right-of-way of the proposed NED pipeline in Troy, NH, and how these impacts can be avoided or minimized based on hours and time of year of construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Stormwater) - Comment Number TCC108

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into how storm water runoff from the construction could interfere with the ongoing EPA testing at the Troy Mills Superfund Site, and what will be done to minimize and avoid such interference.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Impact) - Comment Number TCC109

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine how blasting, digging, or drilling during pipeline construction could interfere with contaminated groundwater flow at the Troy Mills Superfund Site in Troy, NH and how impacts would be avoided and minimized.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Impact) - Comment Number TCC110

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the location of monitoring wells at the Troy Mills Superfund Site in relation to the location of the proposed NED pipeline in Troy, NH and how this could have the potential to negatively impact the wells, and how these impacts would be minimized during pipeline construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Groundwater (Impact) - Comment Number TCC111

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the current size and spread of the groundwater plume at the Troy Mills Site and the potential for negative environmental impacts of related pipeline construction activities on or near the site, and any additional testing that will be performed to ensure that the plume has not increased in size as well as what will be done by Kinder Morgan if does increase in size.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Wetlands) - Comment Number TCC112

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the wetlands area located west of the Troy Mills Superfund Site, and how contaminated leachate and high levels of Manganese might be impacted by the NED pipeline construction, and how these impacts would be minimized and corrected if there is an increase compared with the EPA historic testing levels data.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Erosion (Impact) - Comment Number TCC113

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the impact of pipeline construction on sedimentation and erosion on Rockwood Brook, Nester Brook, and Bowker Brook in Troy, NH, and how these impacts would be minimized or avoided.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Impact) - Comment Number TCC114

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all designated sensitive scenic areas and what mitigation measures will be used to reduce visual impact including route deviations to avoid areas of high visibility in South Western NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Air Quality (Impact) - Comment Number TCC115

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide estimates of pollutant emissions and air quality impacts of the construction equipment that will be used for constructing the pipeline, as well as any pollution emissions and the air quality impacts that will come from the NED pipeline once it is in operation.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Noise (Impact) - Comment Number TCC116

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe the noise impacts from the NED pipeline construction activities including drilling and blasting, and how these impacts would be minimized.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Economics (Impact) - Comment Number TCC117

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please address the consequences of not constructing the NED pipeline project and look in to accomplishing the energy objectives of the project through other means including energy conservation.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Landmarks) - Comment Number TCC118

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all natural and registered national natural landmarks, and scenic and recreational areas that will be crossed by the proposed NED project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Trail System) - Comment Number TCC119

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify any areas crossed, or within 0.25 miles of the proposed NED project which are included in the National Scenic Trail System (Metacomet-Monadnock-Trail), and look into mitigation measures as well as how impacts can be minimized or avoided.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Cultural Resources (Impact) - Comment Number TCC120

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify land of local historical or cultural significance in Troy, NH that would be affected by the proposed NED pipeline construction and after it goes into operation.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Details) - Comment Number TCC121

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please provide typical right-of-way cross section diagrams that clearly identify land requirements for pipeline construction and operation. These diagrams should include width of total right-of-way, width of permanent right-of-way, and width of temporary construction right-of-way for Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Open Land (Impact) - Comment Number TCC122

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all use of open land (open space, scrub land). Also identify all lands managed under conservation easements, and consult with appropriate state agencies to determine if pipeline construction would affect the status of the land, and what special construction revegetation techniques should be used in Rhododendron State Park.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Superfund Sites (Accidents) - Comment Number TCC123

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the effects a pipeline leak or explosion would have on the Troy Mills Superfund Site and adjacent landfill, and how this risk will be avoided or minimized.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Restoration) - Comment Number TCC124

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all tracts of upland and wetland forest or woodland that would be removed for pipeline construction, operation, and staging areas, and identify characteristics of the land based on vegetative cover type and predominant land use for revegetation after construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Agricultural Land (Impact) - Comment Number TCC125

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify all agricultural land (hayfields, crop lands) within 150 yards of the right-of-way that would be affected by construction and operation of the proposed NED pipeline, and how these impacts would be avoided, minimized, or mitigated.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Workers) - Comment Number TCC126

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please estimate the total number of construction workers temporarily relocating to South Western NH and the duration of their stay. Also estimate the number of construction workers who would commute daily to the construction site.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Economic Impact) - Comment Number TCC127

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please assess the effects that temporary construction worker emigration will have on the availability and cost of local housing to permanent residents, and college students as well as identifying if there would be competing demands from seasonal recreationists in south western NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Operational Impact) - Comment Number TCC128

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please estimate the number of commuters who will be affected during the proposed NED pipeline construction and the amount of time that will be added on to local commuters travel time due to pipeline construction and the need to reroute traffic in some construction areas.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Emergency Response) - Comment Number TCC129

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please assess the effect of worker emigration on local police, fire protection, and medical facilities during the proposed NED pipeline construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Operational Impact) - Comment Number TCC130

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the effect that the movement of construction equipment, materials, and workers will have on local roads in South Western NH. Please prepare estimates of construction related traffic trips to and from the work sites and the repair of roads to preconstruction conditions.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Low Income (Impact) - Comment Number TCC131

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please address the environmental effects, including human health, social, and economic, that the NED project will have on low income communities in South Western NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Stump Removal) - Comment Number TCC132

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the practice of stump removal and their related disposal in the process of clearing land for the proposed NED pipeline construction.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Fertilizer) - Comment Number TCC133

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify the type of fertilizer used to apply to wood chips on the right-of-way, and explain the need for such fertilizer.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Impact) - Comment Number TCC134

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please look into the impacts, visual, economic, and quality of life, that the proposed NED pipeline construction will have on residential properties and their owners including tree removal, noise, dust, inconvenience, disturbance of lawns, potential damage to wells and septic systems, building foundations, fences, and sheds.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Erosion) - Comment Number TCC135

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify areas for potential soil erosion due to water, wind, loss of vegetation, soil compaction from construction vehicles, areas with wet soils and areas that have poor drainage in the NED project area and identify what will be done in each specific area to eliminate the hazard.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Restoration) - Comment Number TCC136

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine where there is a potential for poor revegetation including capability classification of the soil, topsoil quality, available water capacity, salinity, acidity, and the potential for the project to affect soil drainage.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Agricultural Land (Impact) - Comment Number TCC137

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify cropland and residential areas where loss of soil fertility due to trenching and backfilling could occur in the proposed pipeline project area, and explain what will be done to mitigate this issue in the affected areas.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Geologic (Impact) - Comment Number TCC138

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify any geologic hazards and areas of non-routine geotechnical concern that may exist, or have the potential to develop in or near the proposed NED project area. Hazards include earthquakes, slope instability, areas susceptible to land sliding, slumping, or flash flooding. Also include any monitoring that would be conducted before, during, and after construction of the pipeline.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Soil Protection (Impact) - Comment Number TCC139

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify, describe, and group the soils affected by the proposed NED pipeline, its potential effect on those soils, and measures that will be taken to minimize and avoid impact.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Soil Protection (Impact) - Comment Number TCC140

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify specific measures that will be taken to reduce impact on soils in each specific area of the pipeline construction, and how these soils will be restored after compaction and rutting.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Design (Geology) - Comment Number TCC141

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please summarize the physiography and bedrock geology of the project area and include areas where bedrock is likely to be near (less than 5 feet below) the surface in Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Blasting) - Comment Number TCC142

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify where blasting will be necessary in order to construct the NED pipeline in Troy, NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Blasting) - Comment Number TCC143

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please create a list of any applicable federal, state, and local blasting regulations, including the responsible agency, contact information, and permits that must be obtained to do blasting in NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Blasting) - Comment Number TCC144

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please identify where blasting will be required along the proposed NED pipeline project in South Western NH, and analyze potential impacts the blasting may have on water wells, springs, wetlands, slopes, and nearby (within half a mile) structures. Describe measures that will be taken to minimize vibrations from the blasting and flyrock.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Blasting) - Comment Number TCC145

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please describe the procedures for pre and post blast inspections of nearby (within half a mile) structures and wells, and any monitoring that would be done during the NED project.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (National Park Service) - Comment Number TCC146

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine all properties acquired and/or developed with LWCF (Land & Water Conservation Fund) assistance. There are parcels of land in the NED project path that were aquired or developed with LWCF assistance.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (National Park Service) - Comment Number TCC147

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine the process to ensure the NED project complies with all the conversion provisions of Section 6(f)(3) of the LWCF Act, 36 CFR Part 59. These rules are applicable to each and every area or facility for which LWCF assistance was obtained.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Conservation) - Comment Number TCC148

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine how the towns will be compensated for the lost tax dollars surrendered (in some cases for decades) for conservation lands currently threatened by the NED project in South Western NH.

To: Federal Energy Regulatory Commission (FERC)

Filing Party: Troy Conservation Commission, Troy, NH

Docket: PF 14-22-000 (Applicant - Tennessee Gas Pipeline Company, L.L.C.)

Date: August 2015

Subject: Construction (Conservation) - Comment Number TCC149

The Troy Conservation Commission (Troy NH) requests that FERC address the following comments when preparing an Environmental Impact Statement regarding the Northeast Energy Direct Project proposed by Tennessee Gas Pipeline Company and / or Kinder Morgan (Docket PF:14-22-000).

Comment

Please determine how the violation of lifetime gifts by donors who deeded lands to be conserved "in perpetuity" will be fairly discharged due to the NED project in South Western NH.
